

ENVIRONMENTAL POLICY

One Call Site Services recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods, with regular review points. We will encourage customers, suppliers and other stakeholders to do the same.

Mr. James Carter is responsible for ensuring that the environmental policy is implemented. However, all employees have a responsibility in their area to ensure that the aims and objectives of the policy are met.

Policy Aims

We endeavour to:

- Comply with and exceed all relevant regulatory requirements
- Continually improve and monitor environmental performance
- Continually improve and reduce environmental impacts
- Incorporate environmental factors into business decisions
- Increase employee awareness and training
- We will reuse and recycle all paper where possible
- We will seek to reduce the amount of energy used as much as possible
- Lights and electrical equipment will be switched off when not in use
- We will reuse and recycle everything we are able to

Transportation

- We will reduce the need to travel, restricting to necessity trips only
- We will promote the use of travel alternatives such as e-mail or video/phone conferencing
- We will make additional efforts to accommodate the needs of those using public transport or bicycles
- We will favour 'green' vehicles and maintain them rigorously to ensure ongoing efficiency

Culture

- We will involve staff in the implementation of this policy, for greater commitment and improved performance
- We will provide staff with relevant environmental training
- We will work with suppliers, contractors and sub-contractors to improve their environmental performance
